Global Inspiration™

benchtops

The Global Inspiration Benchtops collection inspires creativity with an expansive range of sumptuous colours and designs in a sophisticated palette. Shimmering pearl effects and energy-charged bursts of colour inject new vitality. The range sets the benchmark with brilliant interpretations of natural stones, concrete, composite quartz, timbers, metallics, and patterns. This collection includes Textured Satin, Satin, Silky Matt, Textured Matt, Matt, Crystal, and Meteor finishes. For ease of design, the Global Inspiration Benchtops range has been developed to co-ordinate fully with the Global Inspiration Vertical range.

Global Inspiration - be inspired.

ModernLook 

These colour options form part of the ModernLook range which can be postformed to a tight 5mm radius for that modern slab look.
